Expert setting allows you to hit with only one flipper at a time.

Pinpaddle

Bombard the ball into the playfield with a paddle instead of with flippers. Devise a whole new strategy to set the bumpers chiming, learn exactly how to deflect the ball for that perfect shot. Expert setting reduces paddle size. 2 brilliantly colored playfields for both pinball and pinpaddle.

Breakaway

The object: break through 6 rows of bricks by knocking down individual chips from each multicolored row. Get higher point values for smacking chips in top rows. Sears Revolving Charge Account and Security

Agreement

Sears, Roebuck and Co.

I agree to the following regarding all purchases made on my Sears Revolving Charge Account and Security Agreement.

1. I have the following options each monthly billing period.

(A) I will pay the entire New Balance within **30** days of the Billing Date shown on the monthly billing statement; or

(B) I will pay the deferred payment price for each purchase consisting of the cash price and a **FINANCE CHARGE.**

(1) The **FINANCE CHARGE** will be computed upon the **AVERAGE DAILY BALANCE** of my account in each monthly billing period.

(a) The **AVERAGE DAILY BALANCE** is determined by dividing the sum of the balances outstanding for each day of the monthly billing period by the number of days in the monthly billing period.

(b) The balance outstanding for each day of the monthly billing period is determined by subtracting payments and credits from the previous day's balance excluding any purchases added to the account during the monthly billing period and excluding any unpaid **FINANCE CHARGE.**

(2) **FINANCE CHARGE** will be determined by applying a periodic rate of **1.5%** per month **(ANNUAL PERCENTAGE RATE of 18%)** to the **AVERAGE DAILY BALANCE.**

(3) When the **AVERAGE DAILY BALANCE** for a monthly billing period is **$33.00** or less, the **FINANCE CHARGE** for the billing period, at Sears option, will be **50c** instead of the amount computed above.

(4) No **FINANCE CHARGE** will be assessed:

(a) In a monthly billing period during which there was no previous balance;

(b) In a monthly billing period during which payments and/or credits equal or exceed the previous balance;

(c) On unpaid **FINANCE CHARGE;** or

(d) On purchases during the monthly billing period in which they are added to the account.

(5) I will pay the deferred payment price for all purchases in monthly payments within **30** days from each monthly Billing Date according to the following schedule of minimum payments and have the option of paying more than the minimum payment each month:

If the New Balance is:	The Minimum Payment will be:	If the New Balance is:	The Minimum Payment will be:

Each payment shall be applied to merchandise and services as follows: first to unpaid **FINANCE CHARGE;** then, as to items purchased on different dates, the first purchased shall be deemed first paid, as to items purchased on the same date, the lowest priced shall be deemed first paid.

(8) I have the right to pay my entire balance in full at any time without incurring a subsequent **FINANCE CHARGE.**

2. I agree that the **FINANCE CHARGE** and other credit terms will be determined by the law of my State of Residence. If I change my State of Residence I will inform Sears, and Sears will provide me with a new agreement containing the **FINANCE CHARGE** and other credit terms applicable to my new State of Residence.

3. Sears is authorized to investigate my credit record and report to proper persons and bureaus my performance of this agreement.

HELPFUL INFORMATION ABOUT YOUR SEARS CATALOG ORDER

REGARDING OUR CATALOG PRICES

Following the policy in effect since our founding in 1886, prices quoted in Sears catalogs do not include (unless stated otherwise) charges for handling and shipping of goods from our Mechandise Distribution Center to a Sears catalog selling unit for pick-up, or for delivery to your home. The shipping and handling charges may differ depending on method of shipping. Information on shipping and handling charges for shipping by parcel post or non-Sears truck can be obtained from the yellow customer information pages of our Big Book. Specific details on charges for handling and shipping to a Sears catalog selling unit for pick-up can be obtained from the unit, either at the counter or over the phone.

Prices in this catalog apply only to orders placed by mail, telephone, telegraph or placed in person at a Sears Catalog Sales Office, Authorized Catalog Sales Merchant or at a Catalog Sales Department in a Retail Store, Retail Catalog and Appliance Store or in a Sears Affiliated Store. Comparative pricing statements made in this catalog refer only to prices on merchandise offered nationwide through our own catalogs. Catalog merchandise prices and assortments may vary from those in our Retail Stores.

COMMERCIAL QUANTITY ORDERS

The merchandise offered in all Sears catalogs is stocked in quantities intended to accommodate only individual or family needs. Therefore, we reserve the right to limit quantities in order to properly serve all of our customers. For details on commercial quantity orders, please contact Sears Contract Sales, Department 733G, Sears Tower, Chicago, IL 60684.

SHIPPING INFORMATION

"N", "N2", "NH" suffix (such as 9-1234N) means that this item, if shipped directly to your home, is sent by motor carrier. (See non-Sears truck information pages in our Big Book.) If you prefer, pickup your order at a Sears Catalog Selling Unit . . . ask about pickup charges. Home delivery through a Sears unit may also be available, please inquire.

Parts of your order may be shipped from points other than your distribution center and may therefore arrive separately at different times.

C.O.D. ORDERS

C.O.D. orders are accepted only for merchandise sent from a Catalog Merchandise Distribution Center to a Sears Unit. You may then pick up your order or arrange with your Sears unit for redelivery to your home (if available).

If you request that your order be sent directly to you via Parcel Post or non-Sears truck, you must include a money order, check or use your Sears Credit Account.

Nor do we ship C.O.D. orders for merchandise cut, engraved, printed or made to order, for merchandise shipped direct from factory or shipped to foreign countries or to anyone other than the person sending the order.

PARCEL POST INFORMATION:

Packages weighing up to 70 pounds and measuring not more than 100 inches in length and girth can be sent by parcel post in all parcel post zones, except catalog numbers followed by "L".

CRAFTSMAN® Knife Collection

Perfect gifts for the men in your family

A.C.A. Edge® Lock Back Knife . . . our finest $29.97

4 15/16-inch long blade locks in open position . . . to unlock and close blade, press lever on back of handle and close. Leather holster included.

CONSTR.: Amazing Cutting Action edge (A.C.A. Edge®) blades are made by a special process: First the steel is heated to extremely high temperatures for strength, then when it's the right temperature, the steel is cooled in an oil quench to maintain that strength; it is then deep-frozen at 120°F. to refine the grain structure to make it even harder, then finally tempered to make the steel less brittle. This is why our A.C.A. Edge® is three times sharper than our regular blades. Handle is of Vicarta® plastic for a wood-grained look.

COMPUTER GAMES for family fun... match your wits with the computer

COMP IV
The game that challenges you to break the computer's secret code as fast as possible

$23.74 without battery

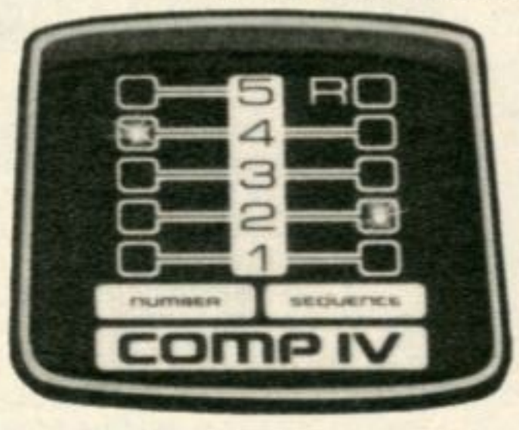

A Tap in the 3, 4 or 5-digit code you think the computer has chosen

B Panel lights show which of your numbers are in right sequence

C Panel lights show which of your numbers are correct

HERE'S AN EXAMPLE GAME

Enter 537. Good try! Lights indicate that two of your chosen digits are correct—and one of the digits is also in the right sequence. The first round is always chance.

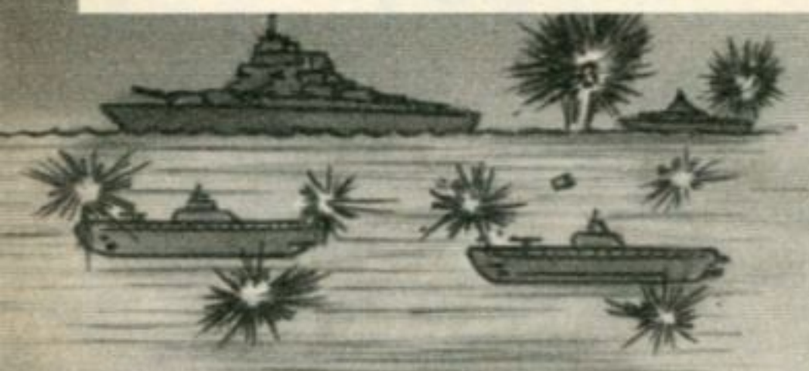

Try 437. Very lucky guess! The lights indicate all three digits are now correct. Still only one is in the correct position. Which one is it?

On a hunch you try 734. All lights flash to indicate you hit the number. By guessing correctly that 3 was the center digit and changing the 4 and 7, you've won in only three turns. And that's not easy.
